## **How to Get a Green Card** Ilona Bray, Lewis Loida Nicolas

U.S. immigration law is a tangle of details. This book explains the most likely bases upon which an everyday person might qualify for a green card: family, marriage, asylum, the visa lottery, and a few lesser-known categories.

Then, the book leads readers safely through the enormous immigration bureaucracy, with step-by-step application instructions, checklists with required forms and documents, tips for avoiding mistakes and dealing with legal complications, and sample forms.

This edition is completely revised to reflect the latest laws, including new rights to a green card for same-sex married couples, agency contact information, and fees, plus critical new procedural information, particularly concerning the new provisional waiver for unlawful presence. And if the immigration reform bill currently before congress becomes law, the book will cover its groundbreaking changes, including a new path to citizenship for immigrants currently in the country without documentation.

This book is not appropriate for people seeking temporary visas or work-related green cards.

#### **Joseph Chitwood:**

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this How to Get a Green Card can make you feel more interested to read.
