## **Jesus Changes Everything** Bob George

Bob George, bestselling author of *Classic Christianity*, shows readers how grace changes everything because of one often-ignored foundation of the faith—the New Covenant. Many Christians feel anything but new. They are told salvation is a free gift, but trying to live up to what they think God demands seems like anything but a gift. Feel free? They don't. Bob explains how this results from basing Christianity in the Old Testament—making the faith a law-based religion. But the New Covenant God has put in place through Christ's death changes everything. Readers will see the joyful truth that effort, guilt, and fear from living under law give way to rest and peace from realizing their relationship with God doesn't depend on their performance; motivation by punishment is replaced by inner motivation through God's complete acceptance; and the experience of distance from God gives way to the experience of His unconditional love.
