The Odes and Psalms of Solomon Published from the Syriac Version (Classic Reprint) J. Rendel Harris
Obscurities are sure to exist in a text so scantily attested and of such an uncertain tradition. In spite, however, of these inherent difficulties, I hope that the translation and editing of these new Odes of Solomon (with their associated and already known Psalms of Solomon) will be satisfactory; for, although late in date, the text is very well preserved, and the translation from the Greek into the Syriac appears to have been carefully and conscientiously made. If we could come across some more traces of the newly-recovered work in the writings of the Fathers, or if, by good hap, we might find the lost Latin or a copy of the original Greek, much that is obscure in our presentation of the Odes would disappear. Meanwhile we have done our best with the material as we found it and as we were able to reinforce it: our thanks are due to scholarly friends who have assisted us with their keen revising eyes or their nimble emendating brains. My learned lady friends Mrs Lewis and Mrs Gibson have given me much assistance with the proofs: Mr Glover has criticised obscure passages and inadequate arguments; and Professor Nestle has made some brilliant suggestions for the betterment of the text, and traces of his skilled hand may be seen at several points, of which I note especially Ode 7. 12, Ode 38. 14, Ps. v. 16, Ps. vii. 4, and Ps. xvii. 31. I think it is very likely that a skilled Coptic scholar could also do something to improve either the text or the translation in those Odes which have been transferred to the text of the Pistis Sophia, RENDEL HARRIS Chetwynd Sellv Oak October 1909 o. s.
