The Power of God and the Gods of Power Daniel L. Migliore

In this accessible and enlightening book, Daniel Migliore offers a study of the nature of God's power. Migliore calls for a reassessment of our understanding of the power of God and, through his exploration of historical and biblical references, provides his own analysis of God's power. A complete understanding of the power of God, Migliore argues, will profoundly affect how we live and how we exert power as individuals and as nations.
