## CHILD OF DARKNESS

An orphaned teen with the ability to transform into a vicious whirlwind latches on to Ryan and the companions as they travel through former North Dakota. Her deadly power seems like a boon at first, until it starts to control her. When threatened, she destroys everything in her path...including those she loves. Then a group of outcast fighters kidnaps the young woman and manipulates her—and her terrifying mutation—for their own destructive agenda. With the vortex unleashed, the companions face a tough decision: chill the orphan or perish in her violent wake.
