## **Evangelização e família (Portuguese Edition)** Leonardo Agostini Fernandes

Esta obra aborda a realidade da família a partir do enfoque bíblico, teológico, dos documentos da Igreja e no contexto do próximo Sínodo dos Bispos sobre a Família. Seu objetivo é o de ler, estudar e refletir sobre onze textos bíblicos: cinco do Antigo Testamento e seis do Novo Testamento. A estes onze textos, outros oito foram usados como proposta de leitura orante. O grande desafio não é, simplesmente, tornar conhecido e facilitado o conteúdo e as reflexões, que são tratados neste livro, mas como atualizá-los. O fiel, que vive a força de uma mudança de época, em cada texto é convidado a encontrar uma sólida fonte de formação para a sua vida de fé, que oriente a sua conduta ética, condizente com o bem, a justiça e a verdade que foram reveladas, executadas, ensinadas por Jesus Cristo e assimiladas pelos Apóstolos que transmitiram, fielmente, a sua doutrina. Por meio desses textos, o autor deseja ainda perceber e compreender o porquê eles são considerados referências essenciais na doutrina do Magistério da Igreja sobre o sacramento do Matrimônio, meio pelo qual as famílias cristãs são estabelecidas como sinais do amor de Deus, Uno e Trino, no mundo. Este estudo não dispensou o rigor científico ao oferecer uma abordagem capaz de fundamentar a reflexão sobre o matrimônio na perspectiva da evangelização e da família, principal alvo de atenção no Sínodo dos Bispos de 2015. Dessa forma, cada comunidade de fé pode, igualmente, se preparar para este evento.
