## **Praeterita (Oxford World's Classics) John Ruskin**

'For as I look deeper into the mirror, I find myself a more curious person than I had thought.'

John Ruskin (1819-1900) was a towering figure of the nineteenth century: an art critic who spoke up for J. M. W. Turner and for the art of the Italian Middle Ages; a social critic whose aspiration for, and disappointment in, the future of Great Britain was expressed in some of the most vibrant prose in the language. Ruskin's incomplete autobiography was written between periods of serious mental illness at the end of his career, and is an eloquent analysis of the guiding powers of his life, both public and private. An elegy for lost places and people, *Praeterita* recounts Ruskin's intense childhood, his time as an undergraduate at Oxford, and, most of all, his journeys across France, the Alps, and northern Italy. Attentive to the human or divine meaning of everything around him, *Praeterita* is an astonishing account of revelation.

**ABOUT THE SERIES:** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe.
