The Virgin University Survival Guide Karla Fitzhugh

University can be a bit of a jungle - student loans, essay deadlines and 'Freshers Week' are just a few hazards. But with the *Virgin University Survival Guide* you'll never be lost again. This unique university guide provides practical advice on all aspects of university life, including:

Getting ready to go - what to take and what to leave behind

Freshers Week - what to do and what definitely *not* to do

Your course - studying, coursework and exams

Housing, house hunting and dealing with difficult landlords

Money - everything you need to know about fees, loans and debt

Health and stress

Campus crime and safety

Work and careers - when to start thinking about the future

Graduation and beyond - job, gap year or a post-graduate course?

And, of course, how to make the most of your new-found social life.

After all, it's not *all* about studying....

From reader reviews:

David Anthony:

Inside other case, little people like to read book The Virgin University Survival Guide. You can choose the best book if you love reading a book. Provided that we know about how is important the book The Virgin University Survival Guide. You can add know-how and of course you can around the world with a book. Absolutely right, due to the fact from book you can know everything! From your country until finally foreign or abroad you will end up known. About simple thing until wonderful thing you are able to know that. In this era, you can open a book or searching by internet system. It is called e-book. You need to use it when you feel bored to go to the library. Let's read.

David Stephenson:

Book is to be different for each grade. Book for children until finally adult are different content. As it is known to us that book is very important usually. The book The Virgin University Survival Guide had been making you to know about other know-how and of course you can take more information. It doesn't matter what advantages for you. The book The Virgin University Survival Guide is not only giving you much more new information but also being your friend when you feel bored. You can spend your current spend time to read your e-book. Try to make relationship with all the book The Virgin University Survival Guide. You never sense lose out for everything in case you read some books.

Jerry Melgar:

Reading a reserve tends to be new life style on this era globalization. With studying you can get a lot of information that may give you benefit in your life. With book everyone in this world can share their idea. Books can also inspire a lot of people. A lot of author can inspire their reader with their story or perhaps their experience. Not only the storyline that share in the ebooks. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors on this planet always try to improve their ability in writing, they also doing some analysis before they write for their book. One of them is this The Virgin University Survival Guide.

Anthony Koch:

That guide can make you to feel relax. This particular book The Virgin University Survival Guide was colourful and of course has pictures around. As we know that book The Virgin University Survival Guide has many kinds or variety. Start from kids until teenagers. For example Naruto or Private eye Conan you can read and think that you are the character on there. Therefore not at all of book usually are make you bored, any it offers you feel happy, fun and loosen up. Try to choose the best book for yourself and try to like reading this.
