**La prensa de Sevilla al principio de la Guerra Civil (Spanish Edition)** Markus Horeld

Seminar paper del año 1999 en el tema Historia Europa - Otros países - Época de las guerras mundiales , Freie Universität Berlin (Fachbereich Geschichte), Materia: Historia de Andalucía Contemporánea, Idioma: Español, Resumen: Introducción

El creciente interés por la historia de la prensa se puede contemplar como uno de los resultados de la polémica sobre las principales líneas de investigación histórica desde los años 20 de nuestro siglo. Se empezaba a poner en duda entonces que historia fuese solamente la historia de los poderes, que fuese suficiente para entender el desarrollo de la humanidad contar la historia de los tratados, de las guerras y de los reyes. Empezaba un movimiento que intentaba contar la historia de las clases sociales y su conciencia de clase, sobre todo de la clase obrera del siglo XIX. Este movimiento procedente de Francia creaba la historia social.(1) Como describe muy bien Ute Daniel(2) surgían después corrientes que intentaban ver al hombre en su vida cotidiana, en su familia o en su ambiente cultural. La llamada historia de la cultura, creada en los años 60 y 70, es ahora una parte sustancial de las investigaciones históricas.
