Policy and Law in Heritage Conservation (Conservation of the European Built Heritage Series, 1)

Policy and Law in Heritage Conservation (Conservation of the European Built Heritage Series, 1)

This book has been developed in association with the Cultural Heritage Department of the Council of Europe. It examines key themes and objectives for the protection of the architectural and archaeological heritage in a range of European countries. The analysis of individual countries and the group as a whole gives an assessment of how advanced current mechanisms are and the ongoing problems that remain to be managed in order to safeguard the 'common heritage'.
