The Transactions of the Royal Institute of British Architects Town Planning Conference, London, 10-15 October 1910 (Studies in International Planning History) Riba

In October 1910 the Royal Institute of British Architects hosted the first ever international conference on Town Planning. The Transactions of this critical event in the development of planning as a profession and as a discipline were published a year later in 1911. Long out of print and very difficult to obtain, this new facsimile edition of the Transactions of the 1910 Conference now makes available – for planners and historians alike – this valuable primary resource.
