Dangerously Ever After Dashka Slater

Not all princesses are made of sugar and spice--some are made of funnier, fiercer stuff

Princess Amanita laughs in the face of danger. Brakeless bicycles, pet scorpions, spiky plants--that's her thing. So when quiet Prince Florian gives her roses, Amanita is unimpressed . . . until she sees their glorious thorns! Now she *must* have rose seeds of her own. But when huge, honking *noses* grow instead, what is a princess with a taste for danger to do?

For readers seeking a princess with pluck comes an independent heroine who tackles obstacles with a bouquet of sniffing noses. At once lovely and delightfully absurd, here's a story to show how elastic ideas of beauty and princesses can be.
