Déjà trop tard (French Edition) John Rector

Jake Reese est professeur de littérature dans une université américaine. Il vit dans une petite maison de style Tudor proche du campus avec son épouse Diane qui travaille pour une galerie d'art. Sa vie est tranquille, voire ordinaire, et cela lui convient. Mais son passé est nettement plus trouble : il a grandi dans les quartiers chauds et il a un casier judiciaire bien rempli. Et aujourd'hui, il semblerait que ce passé soit sur le point de le rattraper.

Le troisième roman de John Rector est un thriller intense et fascinant qui montre le prix à payer pour les crimes du passé. Quand deux hommes attaquent Jake sur un parking, lui coupent un doigt et lui volent son alliance, il pense qu'il s'est simplement trouvé au mauvais endroit au mauvais moment. Mais quand la situation empire radicalement et que Diane disparaît, Jake se rend compte qu'il va devoir faire face à la menace.

Bientôt, Jake n'a plus rien à perdre et il part en quête de la vérité. À mesure que son passé révèle des secrets insoupçonnés, son avenir proche prend une tournure de plus en plus inquiétante...

Dans un style précis et incisif, Rector fait le portrait d'un homme qui croyait avoir refait sa vie et qui retombe lentement, implacablement dans la violence. L'action s'enchaîne à un rythme effréné et le suspense devient insoutenable, entraînant le lecteur vers un final explosif et inattendu.

Richard Jimenez:

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Déjà trop tard (French Edition) can make you experience more interested to read.
