I Buy Houses: The Property Investor's Handbook Paul Do

Are you sick of attending open inspections every weekend in a fruitless search for the right property?

Do you want to know more about the property-investing market and how it can make you money?

I Buy Houses is a comprehensive handbook that will have you buying, managing and selling property like an expert. Paul Do explains how to build a property portfolio using research, rather than legwork, allowing you to invest in the best properties in the most effective way. His tried-and-tested SYSTEM T™ framework is perfect for beginning and experienced investors alike.

In this insightful book you will discover:

- how to determine the right time to buy
- why buying a property every year is the wrong thing to do
- why some people are better off renting than buying
- why selling should be a last resort
- why other property investing strategies are no longer effective.
