Milady's Standard Textbook of Professional Barber-Styling Milady

This revised edition is completely updated in both theory and the practice of barber-styling and brings you the latest in men's haircutting and styling, along with the most current information on barbering tools and implements. Revised using input from our current textbook users and the expertise of the National Association of Barber Boards, the textbook and corresponding supplements, also revised, are designed to better prepare your students for state licensing exams and successful careers in the professional market. A greater variety of multicultural cuts and styles are used throughout to reflect the range of clientele students may services during their professional career.
