mondo bidello! (Italian Edition) Martina Scamperle

...cosa non si fa per sopravvivere a MONDOBIDELLO!... è l'emblema di questo romanzo, così la protagonista conclude la sua lunga chiacchierata, un racconto via e-mail alle amiche della durata di un anno scolastico, per evadere dalla tristezza, dalla noia del quotidiano e per condividere l'alienante esperienza della scoperta che lo "statale modello classico" esiste davvero, ritrovandosi fra le mani una personalissima, strana "denuncia" alla pigrizia dello statale, alla propensione di tale individuo all'imboscarsi e ad adattarsi con slancio alla bocciatura di ogni forma di iniziativa personale. Farcito di avvenimenti privati come la ricerca di casa, il rapporto con un compagno molto paziente, la depilazione per sentirsi donna e non solo bidella... ironico, cinico, a tratti politicamente scorretto, è un lucido resoconto di un anno nel pubblico impiego. Una donna alle prese con il quotidiano tra insofferente rassegnazione e basito stupore, spinta dal senso del dovere ad un lavoro precario ma non disposta a soccombere e, per rimanere se stessa, fra un turno e l'altro, si siede al pc e chiacchiera chiacchiera chiacchiera...
