## **One Crimson Thread** Micheal O'Siadhail

For twenty years Micheal O'Siadhail's beloved wife, Bráda, suffered from Parkinson's disease. These love poems chronicle the last two years of her life, her death and his grief. In *Love Life*, now available again in his *Collected Poems*, he told their story of over three decades of marriage. In this sonnet sequence their love faces illness and death and sounds the depths of parting. There is a tenderness, intensity and gratitude which will resonate with those who know both love and loss.
