Ambrose Bierce

The Devil's Dictionary (or The Cynic's Wordbook: Unabridged with all the Definitions) Ambrose Bierce

This carefully crafted ebook: "The Devil's Dictionary (or The Cynic's Wordbook: Unabridged with all the Definitions)" is formatted for your eReader with a functional and detailed table of contents.

The book is a classic satire in the form of a dictionary on which Bierce worked for decades. It was originally published in 1906 as The Cynic's Word Book before being retitled in 1911. A number of the definitions are accompanied by satiric verses, many of which are signed with comic pseudonyms. It offers reinterpretations of terms in the English language which lampoon cant and political double-talk as well as other aspects of human foolishness and frailty. The definitions provide satirical, witty and often politically pointed representations of the words that it seeks to "define". The Devil's Dictionary has inspired many imitations both in its day and more recently.

Ambrose Gwinnett Bierce (1842 – 1914?) was an American satirist, critic, poet, editor and journalist. Bierce became a prolific author of short stories often humorous and sometimes bitter or macabre. His dark, sardonic views and vehemence as a critic earned him the nickname, "Bitter Bierce".
