Dras Weldon lives in a world of horror movies and comic books. Twenty-two and unemployed, he is content to hide in the shadow of adolescence with a faith that he professes but rarely puts into action.

But

when a demonic stranger arrives and begins threatening his friends, Dras is drawn into a battle that forces him to choose which side he is on. In a race against the clock, he must not only fight these evil forces but also somehow convince his best friend, Rosalyn, to join him--before she is lost forever.

Engaging and darkly humorous, *The Strange Man*

is the first act of a trilogy that depicts a world where monsters are real and simple men and women must overcome their doubts and fears in order to stand against the unspeakable creatures of the night.
