The Summer Remains Seth King

Twenty-four-year-old Summer Johnson knows two things. The first is that due to a quickly worsening medical condition, she faces a risky surgery in three months' time that may or may not end in her death. The second is that she would like to fall in love before then. As spring sinks into her namesake season on the Florida coastline, Summer plays the odds and downloads a new dating app - and after one intriguing message from a beautiful surfer named Cooper Nichols, it becomes clear that the story of what may be her last few months under the sun is about to be completely revised. All she has to do now is write something worth reading. Tender, honest, devastating and triumphant, *The Summer Remains* explores a very human battle being waged in a very digital age: the search for a love that will outlast this temporary borrowing of bones. In an era when many feel compelled to share and re-share anything about everything, prepare to feel a love so special, you will want to hug it close and make it yours forever.

From reader reviews:

Jeffery Hall:

Book is to be different for each grade. Book for children until adult are different content. As we know that book is very important normally. The book The Summer Remains has been making you to know about other know-how and of course you can take more information. It is very advantages for you. The book The Summer Remains is not only giving you more new information but also being your friend when you feel bored. You can spend your own personal spend time to read your publication. Try to make relationship with all the book The Summer Remains. You never experience lose out for everything in the event you read some books.

Arlene Farmer:

Do you among people who can't read satisfying if the sentence chained inside the straightway, hold on guys this specific aren't like that. This The Summer Remains book is readable by you who hate those perfect word style. You will find the information here are arrange for enjoyable reading experience without leaving also decrease the knowledge that want to supply to you. The writer involving The Summer Remains content conveys thinking easily to understand by many individuals. The printed and e-book are not different in the content material but it just different such as it. So , do you even now thinking The Summer Remains is not loveable to be your top checklist reading book?

Catherine Mejia:

Nowadays reading books be than want or need but also be a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The info you get based on what kind of reserve you read, if you want have more knowledge just go with schooling books but if you want feel happy read one with theme for entertaining for instance comic or novel. The The Summer Remains is kind of e-book which is giving the reader unstable experience.

Anthony Koch:

Information is provisions for people to get better life, information presently can get by anyone with everywhere. The information can be a information or any news even a problem. What people must be consider any time those information which is in the former life are challenging be find than now's taking seriously which one would work to believe or which one the actual resource are convinced. If you find the unstable resource then you understand it as your main information you will have huge disadvantage for you. All of those possibilities will not happen inside you if you take The Summer Remains as the daily resource information.
