## **Cuentos (NARRATIVAS) (Spanish Edition)** John Cheever

Autor imprescindible para comprender las inquietudes, los deseos y los miedos de toda una clase social, John Cheever es considerado hoy un clásico incontestable de las letras estadounidenses, especialmente gracias a sus relatos breves, auténticas gemas literarias de una rara belleza que lo sitúan entre los mejores escritores modernos del género. Estos cuentos, ambientados sobre todo en urbanizaciones situadas en el extrarradio de las grandes urbes, aunque también en otros lugares como la ciudad de Nueva York o Italia, son certeros retratos sociológicos de una clase media norteamericana que disfruta de lujos materiales pero que paradójicamente se ve acosada por una inefable sensación de vacío y soledad.
