Not Yet Drown'd: A Novel Peg Kingman

"Mysterious, intriguing, and just downright absorbing ... smart and full of atmosphere."—*Boston Globe*

Catherine MacDonald is astonished to receive from her twin brother—who had apparently drowned a year earlier in the monsoon floods of 1821—a kashmiri shawl, a caddy of unusual tea, and a sheaf of traditional bagpipe music in his handwriting. When had he sent it? And why had he retitled a certain tune "Not Yet Drown'd"? Irresistibly, she is drawn to India to search for answers. With her stepdaughter and their two maids—one an enigmatic Hindu, the other a runaway American slave—she follows an obscure trail of tea, opium, and bagpipe music, discovering unsuspected truths about the man she is seeking. Reading group guide included.
