As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Um homem, uma doença, uma história: 1 (Portuguese Edition) can make you feel more interested to read.
