From Book 1:

She doesn't need backup...until love backs her into a corner.

Dream, Book 1

Sheriff Brice Campbell never met a psychic worth a dime. Until Grace. She's the real deal, an Army psychic tracker with a flawless record for finding her target. And somewhere behind her bristling defenses is a woman he's determined to coax out into the light of day.

Grace's legendary ability to keep her emotions walled off from her gift is the key to her success. Unfocused equals unproductive. Only this time, her target is a child that's gone missing. Worse, an unexpected attraction to Brice is messing with her concentration, big time.

Desire sends them both up in a firestorm of passion, which only makes it painfully clear that the Army's secret weapon has one embarrassing flaw. In matters of the heart, she's a rank amateur.

Brice is more than willing to help her navigate these unfamiliar waters, but bringing her heart out of the shadows exposes her to danger neither saw coming. And from which no army can save her.

Warning: Contains a small-town sheriff who isn't going to let a few emotional walls get in his way, and a woman who can't help but let him take hers down, brick by brick.
