## **Wallace D. Wattles Trilogy** Wallace D. Wattles

Published here in one volume, the Wallace D. Wattles Trilogy includes *The Science of Getting Rich*, *The Science of Being Well*, and *The Science of Being Great*. These books prescribe an exact method for readers to accomplish three basic goals that will make any person happy, applying principles of metaphysics and New Thought to overcome human error. Each book focuses on a subject--wealth, health, and power--and applies an exact science that will allow anyone to achieve their goal by following some basic steps in a specific order, in a "Certain Way." Sacrificing explanations of philosophy for brevity, Wattles provides readers a stripped-down guide on shaping the universe to their benefit through the power of positive thinking.
