*Education reform: We don't need better, we need different*

Today's students are immersed in the digital age, but can our educational system keep up? Best-selling author Will Richardson's comprehensive collection of posts from his acclaimed blog, [weblogg-ed.com](http://weblogg-ed.com), spells out the educational reform we must achieve. The book's entries present a multifaceted vision of the 21st-century classroom and describe how a social media-changed world has created new opportunities for:

- Project-based learning
- Student-created media that develops critical thinking
- Extending learning beyond the classroom and school hours
- Cooperative and collaborative learning
- Student empowerment and career readiness
