The Three Emperors: An Ethan Gage Adventure (Ethan Gage Adventures Book 7) William Dietrich

Adventurer Ethan Gage travels through the darkest and most superstitious realms of eighteenth century Europe, to the castles and caves of Bohemia to rescue his family and uncover a mysterious medieval device rumored to foretell the future.

Having quick-wittedly survived the battle of Trafalgar, Ethan is rushing to rescue “Egyptian priestess” Astiza and son Harry from imprisonment by a ruthless mystic who seeks revenge for disfigurement, and an evil dwarf alchemist who experiments with the occult on Prague’s Golden Lane.

Using death as his ruse, and a pair of unlikely allies—a Jewish Napoleonic soldier and his sutler father—Ethan must decipher clues from Durendal, the sword of Roland. Astiza uses her own research to concoct an explosive escape and find a lost tomb, their tormentors in relentless pursuit.

William Dietrich skillfully weaves intrigue and magic, romance and danger in a historical thriller that sprints from the fury of Napoleonic war to the mystic puzzles of Central Europe. What enigmas will the fabled Brazen Head finally reveal?
