A Call to Heroism: Renewing America's Vision of Greatness

Peter H. Gibbon

A Call to Heroism: Renewing America's Vision of Greatness Peter H. Gibbon

In *A Call to Heroism*, Peter Gibbon argues that the heroes we honor are the embodiment of the ideals that America was founded on: liberty, justice, and tolerance chief among them. Because the very concept of heroism has come under threat in our cynical media age, Gibbon believes that we must forge a new understanding of what it means to be a hero to fortify our ideals as we engage our present challenges and face those that lay ahead. Gibbon examines the types of heroes that we have celebrated throughout our history, and along the way, he contemplates the meanings of seven monuments and artworks dedicated to heroes to examine what these places and things say about the America of their time—and what they mean for Americans today.

Full of insight and inspiration, *A Call to Heroism* is a provocative look at a timeless subject that has never been more important.

Chapter One What Is A Hero?

A look at the essence of heroism, and how we perceive it today

Interchapter: Hall of Fame for Great Americans

A contemplation of the Hall monument, built in New York City at the end of the 19th century by architect Stanford White, and left to decay in the 1970s. Gibbon
