Bullet Point Peter Abrahams

Wyatt never really thought much about his dad—a hardened criminal, a lifer in a prison somewhere on the other side of the state. But then the economy had to go and tank, and the community had to go and cut the baseball program from Wyatt's high school. And then the coach had to go and show Wyatt a photograph of his dad at sixteen, looking very much like Wyatt himself. Through a series of unfortunate—or perhaps they were fortunate—events, Wyatt meets a crazy-hot girl named Greer with a criminal dad of her own. A criminal dad who is, in fact, in jail with Wyatt's own criminal dad. Greer arranges a meeting, and Wyatt's dad is nothing like the guy he's imagined—he's suave, and smart, and funny, and cool, and—Wyatt's pretty sure—innocent. So Wyatt decides to help him out. A decision that may possibly be the worst he's ever made in his life.

This is another hold-your-breath thriller by the *New York Times* bestselling and Edgar Award nominated Peter Abrahams.

From reader reviews:

Thomas Garcia:

This book untitled Bullet Point to be one of several books in which best seller in this year, that's because when you read this publication you can get a lot of benefit on it. You will easily to buy this book in the book retailer or you can order it by means of online. The publisher in this book sells the e-book too. It makes you quicker to read this book, because you can read this book in your Cell phone. So there is no reason to you personally to past this guide from your list.

Alice Scales:

Your reading sixth sense will not betray you actually, why because this Bullet Point reserve written by well-known writer who really knows well how to make book that may be understand by anyone who read the book. Written throughout good manner for you, leaking every ideas and composing skill only for eliminate your own personal hunger then you still uncertainty Bullet Point as good book not only by the cover but also with the content. This is one publication that can break don't evaluate book by its include, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your examining sixth sense already told you so why you have to listening to one more sixth sense.

Everett Barton:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Bullet Point can make you feel more interested to read.

Travis Smith:

A lot of people said that they feel bored when they reading a book. They are directly felt it when they get a half areas of the book. You can choose typically the book Bullet Point to make your current reading is interesting. Your own personal skill of reading talent is developing when you similar to reading. Try to choose very simple book to make you enjoy to read it and mingle the idea about book and examining especially. It is to be first opinion for you to like to wide open a book and examine it. Beside that the guide Bullet Point can to be your brand-new friend when you're sense alone and confuse with what must you're doing of that time.
