Closing Time: A Memoir

Joe Queenan

Closing Time: A Memoir Joe Queenan

An affecting memoir from one of America's most provocative humorists

Over the past two decades, Joe Queenan has established himself as a scourge of everything that is half-baked, half-witted, and halfhearted in American culture. In *Closing Time*, Queenan turns his sights on a more serious and a more personal topic: his childhood in a Philadelphia housing project in the early 1960s. By turns hilarious and heartbreaking, *Closing Time* recounts Queenan's Irish Catholic upbringing in a family dominated by his erratic, alcoholic father, and his long flight away from the dismal confines of his neighborhood into the greater, wide world. A story about salvation and escape, *Closing Time* has at its heart the makings of a classic American autobiography.
