As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just small students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Galactus The Devourer (1999) #2 (of 6) can make you feel more interested to read.
