Going Overboard (Love & Laughter) Vicki Lewis Thompson

A cruise on the Titanic, anyone?

A holiday on a houseboat. To Andi, it sounded like the perfect way to spend some time with her pregnant little sister Nicole, before the big day. She hadn't counted on getting stuck on the Moby Dick of houseboats without a pilot. But when she found herself marooned with gorgeous but incredibly stuffy Chance Jefferson, her hormones went into overdrive.

Every man for himself

After a near case of shipwreck and an emergency class in Childbirth 101, Chance knew he was in over his head. It wouldn't have been so bad if he'd been able to keep his hands off his irritating but oh, so sexy shipmate. After all, he knew he'd eventually find a way off the houseboat from hell. But if he fell for Andi, would he sink or swim?

From reader reviews:

Theresa Gayle:

In this 21st century, people become competitive in most way. By being competitive now, people have do something to make these survives, being in the middle of the crowded place and notice through surrounding. One thing that oftentimes many people have underestimated that for a while is reading. Yes, by reading a guide your ability to survive improve then having chance to stay than other is high. For you personally who want to start reading any book, we give you this particular Going Overboard (Love & Laughter) book as starter and daily reading book. Why, because this book is usually more than just a book.

Jill Goulet:

Nowadays reading books be than want or need but also work as a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The information you get based on what kind of reserve you read, if you want attract knowledge just go with knowledge books but if you want truly feel happy read one with theme for entertaining such as comic or novel. Often the Going Overboard (Love & Laughter) is kind of e-book which is giving the reader unpredictable experience.

Patrick Vanmeter:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Going Overboard (Love & Laughter) can make you sense more interested to read.

George Privette:

Reading a book make you to get more knowledge as a result. You can take knowledge and information originating from a book. Book is prepared or printed or descriptive from each source in which filled update of news. Within this modern era like at this point, many ways to get information are available for you actually. From media social like newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Do you want to spend your spare time to spread out your book? Or just trying to find the Going Overboard (Love & Laughter) when you essential it?
