Il Domani dello Sviluppo (Italian Edition)

Fabio Luffarelli

Il Domani dello Sviluppo (Italian Edition) Fabio Luffarelli

Al concetto di sviluppo se ne associano molti altri, spesso confondendoli, come: crescita, benessere, qualità della vita, evoluzione, miglioramento continuo. L'autore ci invita a riflettere sui riduzionismi che applichiamo a queste nozioni, specie nelle risposte date per affrontare il complesso contesto contemporaneo, segnato dai venti della crisi. Si indaga sui problemi di un ostentato "crescismo", che vede nell'irriflessiva rincorsa all'incremento la panacea macroeconomica a tutti i mali. Un approccio cieco sull'inevitabilità dei limiti (sociali ed ecologici) intrinseci in ogni modello di sviluppo. Alla diagnosi di stringenti problemi l'autore contrappone una breve overview sulle possibili soluzioni, terreno fertile per immaginare cambiamenti che richiedono un enorme sforzo culturale, di cui è opportuno parlare per costruire consapevolezza e fare il domani.
