Il sistema amministrativo italiano (Studi e ricerche) (Italian Edition) Luisa Torchia

Il sistema amministrativo italiano è una galassia popolata da oltre 10.000 istituzioni e 3 milioni e mezzo di lavoratori. Un tempo al servizio soprattutto del corpo politico, la burocrazia deve oggi ascoltare direttamente la società e il contesto in cui opera è divenuto un contesto globale. Se la questione amministrativa appare centrale per lo sviluppo e la crescita del paese, non meno evidente è la lentezza che caratterizza il processo di modernizzazione del nostro sistema amministrativo, assai diverso da quello dei principali Stati europei. A venticinque anni di distanza dall'ultimo studio organico in materia, il volume esamina approfonditamente ogni singolo elemento di tale sistema: dalle basi costituzionali alla dimensione europea e globale, dai poteri regionali e locali agli strumenti di controllo, dall'organizzazione ai procedimenti, al personale e alla finanza, ai tentativi e progetti di riforma. Ricco di dati statistici, il testo offre un quadro informativo completo e aggiornato delle pubbliche amministrazioni in Italia - anche in prospettiva comparata - e fornisce schemi interpretativi nuovi sulle tendenze in atto e sugli sviluppi possibili.
