Howard Fast

**The Case of the One-Penny Orange (The Masao Masuto Mysteries Book 2) Howard Fast
Detective Masuto investigates a string of strange Southern California crimes that lead all the way back to Nazi Germany**

Returning from a funeral, Mr. and Mrs. Jack Briggs find their Beverly Hills mansion ransacked. As they wait for the police, they discover something unusual: Despite the chaos, nothing appears to be missing—a fact that greatly interests Beverly Hills police detective Masao Masuto. But the Zen detective only has a few minutes to ponder the strange break-in before a murder intervenes.

The victim is Ivan Gaycheck, a stamp dealer whom Masuto remembers for his stout frame and unplaceable accent. A .22-caliber bullet killed Gaycheck, but—just like the Briggs's home invasion—nothing in the shop has been disturbed. Suspecting a connection between the two crimes, Masuto dives into the case, uncovering a strange conspiracy that stretches back to the darkest days of World War II.

This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate.
