## The New Arcadia: Poems John Kinsella

One of Australia's best poets conjures the Australian countryside in this brilliant epic, inspired by Philip Sidney's classic pastoral "Arcadia."

“Astonishingly fecund and inventive. *The New Arcadia* revitalizes pastoral traditions, but more in the mode of lamentation than celebration. Like Frost’s New Hampshire and Vermont, Kinsella’s Western Australia is eroded, a last act salted with the ruins of our age, and yet yielding permanent poems.”—Harold Bloom
