Years of No Decision (RLE Israel and Palestine) (Routledge Library Editions: Israel and Palestine)

Muhammad El-Farra

This book, first published in 1987, examines British, American and Israeli practices in the Middle East. It explains these countries' attitudes in the United Nations towards the Palestinian problem and the role of the United States regarding every Arab-Israeli war. It attempts to acquaint the reader with the reasons why so many years were years of no decision, and why the debates were mere exercises in futility.
