Elizabeth Isichei

A History of Christianity in Africa: From Antiquity to the Present Elizabeth Isichei

This unprecedented work is the first one-volume study of the history of Christianity in Africa. Written by Elizabeth Isichei, a leading scholar in this field, *A History of Christianity in Africa* examines the origins and development of Christianity in Africa from the early story of Egyptian Christianity to the spectacular growth, vitality, and diversity of the churches in Africa today.

Isichei opens with the brilliance of Christianity in Africa in antiquity and shows how Christian Egypt and North Africa produced some of the most influential intellects of the time. She then discusses the churches founded in the wake of early contacts with Europe, from the late fifteenth century on, and the unbroken Christian witness of Coptic Egypt and of Ethiopia. Isichei also examines the different types of Christianity in modern Africa and shows how social factors have influenced its development and expression.

With the explosive growth of Christianity now taking place in Africa and the increasingly recognized significance of African Christianity, this much-needed book fills the void in scholarly works on that continent's Christian past, also foreshadowing Christian Africa's influential future.

Does one one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Aim to pick one book that you just dont know the inside because don't assess book by its protect may doesn't work the following is difficult job because you are afraid that the inside maybe not while fantastic as in the outside seem likes. Maybe you answer may be A History of Christianity in Africa: From Antiquity to the Present why because the great cover that make you consider about the content will not disappoint you actually. The inside or content will be fantastic as the outside or even cover. Your reading sixth sense will directly show you to pick up this book.

Elizabeth Sherer:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this A History of Christianity in Africa: From Antiquity to the Present can make you experience more interested to read.
