A Princesa Azul E A Civilização Das Rochas (Portuguese Edition) Edson Schenkel

Em momentos de novas descobertas, uma criança tem um sonho, com seres de outros planetas, que a lembrança deste o acompanha até tornar-se adulto, quando começam as visões levando a um caminho de mistérios, aventuras. Encontrando no fim de seu caminho, o destino e descoberta sobre ele mesmo. Livro destinado ao público juvenil (principalmente). A história é uma ficção científica, que fala de seres e tecnologias de outros planetas (que de certo modo traz uma teoria para mistérios antigos {que são apresentados nos assuntos sobre Alienígenas do Passado } e para alguns fenômenos que ocorrem ainda até hoje {círculos em plantações}, mas esse estará mais no final do livro, pois escreverei uma continuação, onde este mistério vai ser desvendado.
