World events won't let North Americans ignore Muslims anymore. Whether those Muslims are villagers in Iraq or neighbors down the street, *Breaking the Islam Code* offers everyday Christians profound insight into the way Muslims *think* and *feel*.

J.D. Greear's ability to communicate challenging heart truth, plus his expertise in Christian and Islamic theology and two years' experience in a Muslim-dominated area, make him the perfect author for this empowering, insightful, reader-friendly book. It transcends traditional apologetics, focusing on helping Christians

- understand what is deep in Muslims' hearts, behind their theology—which will lead to friendship and effective communication of the gospel
- respectfully turn many of the primary objections into *opportunities* to share the faith
- avoid unnecessarily offending Muslims they're interacting with

Readers will be excited that sharing Christ with Muslims is something they *can* do—as everyday Christians in their own cities, campuses, and workplaces.
