Grand One-Hand Solos for Piano, Book 6: 8 Late Intermediate Pieces for Right or Left Hand Alone

Melody Bober

Students with an injured arm or hand can continue their piano studies in spite of their injury with this series by Melody Bober. Each volume features pieces written especially for the right or left hand in a variety of styles, keys, meters, and tempos. Book 6 contains eight pieces for late-intermediate students---four for the right hand and four for the left hand---each one providing the unique opportunity to develop the other hand while still progressing technically and musically.

"This collection is perfect for isolating and curing reading and technical weaknesses associated with a particular hand, as well as developing awareness that one hand is capable of voicing and artistic performance."
