The Irresistible Mr Wrong Jeremy Scott

Why do women go for bastards? Not all women certainly, but an identifiable number of them - including almost all heiresses - find themselves drawn to, even marrying, a thoroughgoing wrong'un who steals their money, cheats on them and sometimes beats them up. Why, to these educated, rational, rich and otherwise balanced young women, is Mr Wrong irresistible? What is it about him, what is it in them? In short, what is the nexus between wealth, celebrity, sex and self-destruction? The Irresistible Mr Wrong is the serial biography of five women who were all serially married to the same man: Porfirio Rubirosa. From the Jazz Age to the mid-sixties, through Café Society, Hitler's Berlin, occupied Paris and the post-war fleshpots of the Jet Set, Jeremy Scott charts the glamour and tragedy of the wives and mistresses of the ultimate playboy.
