History's greatest renaissance; a spiritual one; is about to unfold before our very eyes. In his first two "Seven Mountain" books, *The Seven Mountain Prophecy* and *The Seven Mountain Mantle*, author Johnny Enlow showed how Christians are called to manifest the kingdom of God in the seven primary spheres of society: religion, education, family, government, economy, media, and the arts. Now, he reveals the changes he expects to take place over the next several decades in each of these spheres. We have entered an "Era of Renaissance" that will not be complete until the invisible God is made visible through the influence of His ambassadorial children in every area of society. The first Renaissance in history showcased the achievements of man, but this new renaissance will display the brilliance and works of God for the whole world to see. By 2050, an on-fire, loving church with a hope-filled worldview will be globally advancing, walking in unprecedented signs and wonders and supernatural manifestations of power. Many nations will walk in a high level of national transformation. How will you respond to this new era? Will you help your own nation to experience a far-reaching renaissance, to the glory of God?
