VAMPIROS DE PAPEL (Nueva Biblioteca Edaf) (Spanish Edition) POLIDORI

La noche del 16 de junio de 1816 ha pasado a la historia de la literatura universal —al menos al imaginario colectivo de los amantes de las casualidades propias de una buena ficción— como aquella en la que, entre rayos y centellas, en la mejor de las fantasías románticas, en la Villa Diodati se concitan todos los elementos de la naturaleza para que unos genios pergeñen las primeras ideas y líneas de lo que más tarde se ha venido en llamar literatura gótica. Además de El vampiro de Polidori se recogen en este volumen las muestras iniciales escritas en español.
