Derecho empresarial mexicano: Temas selectos Vol. II: 2 (Biblioteca Jurídica Porrúa) (Spanish Edition) Octavio Avendaño Carbellido

En el año 2010 fue publicado el primer volumen de Derecho Empresarial Mexicano. Temas Selectos, que contiene cinco tópicos muy importantes para la empresa: propiedad industrial, concursos mercantiles, competencia económica, aspectos financieros y comercio exterior. En este 2013 tenemos el agrado de presentar el volumen II de Derecho Empresarial Mexicano. Temas Selectos, donde se abordan otros cinco aspectos de particular relevancia para las empresas en nuestro país tales como: sociedades mercantiles, títulos de crédito, contratos mercantiles, inversión extranjera y asociaciones público privadas. Este volumen al igual que su antecesor, trata los temas desde una perspectiva teórica-legal pero al mismo tiempo práctica, lo que permite al lector tener un panorama general que le ayude a comprender temáticas vastas y complejas de una manera fácil y didáctica. El libro combina aspectos jurídico-empresariales que han sido regulados por una misma ley desde hace muchos años, como las sociedades mercantiles o títulos de créditos, con otros bastante novedosos como el de asociaciones público privadas, cuya regulación legal y reglamentaria data del año 2012 y seguramente tendrá gran auge en nuestro país. Este libro pretende apoyar la difusión de la realidad jurídica de las empresas en México, cuyo entendimiento contribuirá al fortalecimiento de este sector fundamental para el desarrollo del país.
