*Straight talk about classroom management from new teachers who have developed solutions!*

Offering authentic stories from novice secondary school teachers in urban, suburban, and rural districts with diverse students, this practical guide illustrates how new teachers can benefit from the experiences of their peers to resolve common classroom challenges. The author provides instructional and disciplinary cases, plus an expert analysis of each teacher's successful strategies. The book includes:

- A table of contents with specific instructional/discipline topics for easy reference
- Ways to identify when problems are related to lesson delivery or discipline
- A glossary of terms and a resource list for detailed information
