Moon Bear

Brenda Z. Guiberson

Moon Bear Brenda Z. Guiberson

Moon Bears, or Asiatic black bears, are so named because of the white moon-shaped blaze on their chests. The moon bears are seldom seen but their footprints, claw marks, hair, and bear nests high in the trees give us clues about how they live. Sadly, there are now more moon bears in captivity than in the wild, as these animals are being "farmed" for their commercially valuable bile.

Brenda Guiberson's lyrical text and Ed Young's stunning illustrations combine in a winning tribute to this endangered species. Follow one moon bear in the wild as she eats, plays, hibernates, and wakes up again in the spring.

Moon Bear is a 2011 Bank Street - Best Children's Book of the Year.
