**The Unexpected Journey: Conversations with People Who Turned from Other Beliefs to Jesus** Thom S. Rainer

Following Jesus is a journey none of the people in this book ever expected to take.

Why did they?

What difference did it make?

The book you're holding is dangerous. If you read it, you'll see that God is still active in saving even the most unexpected people: An atheist woman who viewed Christians as "idiots." A married couple high in the leadership ranks of the Mormon church. An African-American man who became a Black Muslim out of hatred for white Christians.

You'll be amazed, moved, and encouraged as you read their compelling stories and the stories of nine others who made The Unexpected Journey from non-Christian beliefs to faith in Jesus Christ. You'll rediscover the power of the gospel. You might even be emboldened to tell others about Christ yourself.
