Safety and Health Essentials: OSHA Compliance for Small Businesses

William Martin, James Walters

Safety and Health Essentials: OSHA Compliance for Small Businesses William Martin, James Walters
Safety and Health Essentials is the leading introductory guide to industrial safety and health. Written by a team of specialist contributors, under the editorship of William Martin, the book covers all aspects of safety management and will be a companion to the more detailed treatment found in Industrial Safety & Hygiene Handbooks.

The book is most useful to small companies that do not have or cannot afford a full-time safety officer and to business managers and human resources staff who have responsibilities for health and safety issues in the workplace. The book will cover all the most recent developments in health and safety laws, standards, techniques, and practices.

Provides a leading introductory guide to industrial safety and health
Specialist contributors cover all aspects of safety management, including recent developments in the field
Offers an extremely useful tool to business managers and human resources staff with health and safety responsibilities, as well as to small companies that cannot afford a full-time safety officer
