Salisby Dalisby the time and Universe traveler has been disrupted again with the dark Lords time cloaking technologies. This time he has been moved into a darker time zone into a Grey Masters military city with many new strange reptilian men and women. However, there were some other Sanctiant families that also had been put into the same place many years earlier. This is world where Sanctiant magical orders had been the norm for many millions of years. Now the Sanctiant families would be very limited as a result of the dark Lords using many different technologies against the kind and peaceful Sanctiant families. There is now a new growing Universal war growing larger and spreading throughout many different space territories and Salisby's family will soon be caught in the middle of it.
